Dear Foundation Doctor,

The National Foundation Doctors Presentation Day will be taking place on Friday 20 January 2023.

You are invited to submit abstracts relating to Sustainability, Clinical Case Reports, Education, Ethics, Quality Improvement or Research/Original Work undertaken during your Foundation Programme training.

Guidelines

The abstract should not exceed **200 words in total** (excluding title, authors, and references). Abstracts should include background (context setting), methods, results, and key messages.

Any references quoted in the abstract should be listed at the end, using the Vancouver reference style.

Abstract submissions will be presented as 10-minute oral or 3-minute poster (mini-oral) presentations. Applications describing work in progress are eligible, but abstracts should not relate to work during medical school (including during intercalated degree or elective projects).

Deadline for abstracts is 11:45pm GMT on Sunday 13 November 2022. Late submissions will not be accepted.

Up to two applications may be submitted per Presenting Author. However, as space at this event is limited, an individual will only be allowed to deliver one presentation should their abstract be successful.

Presentation Type

Oral Presentations (10 minutes)
Oral presentations will be 10 minutes exactly, 8 minutes to present and 2 minutes for questions. Please note that approximately 20 abstracts will be accepted for oral presentations, but all submissions will be considered for posters.

Poster Presentations (3 minutes)
You will be given 2 minutes to talk through your poster to the judges, with 1 minute for questions. Timeline and specifications for posters (format, resolution etc.) will be confirmed to successful applicants after shortlisting has concluded.

All abstracts submitted will be considered for poster presentations. You will be asked if you wish your abstract to be considered for an oral presentation as well.

Successful applicants will be invited to register from 2 December 2022.

Click here to open the abstract submission form.

Good luck!

18 October – 13 November 2022	Abstract submission window
2 December 2022 – 4 January 2023	Successful applicants invited to register for event
Friday 20 January 2023	NFDPD!
