

# MSF TAB / PSG Comparison

*TAB cannot be used in place of PSG feedback as the PSG and MSF TAB are assessing different professional / clinical aspects of a foundation doctor's (FD's) performance*

## MSF TAB

Team assessment of behaviour (TAB) - Horus Support ([hee.nhs.uk](http://hee.nhs.uk))

- Assessment / feedback is **across 4 Domains.**
- **FD** chooses colleagues from all grades, from one placement
- Feedback on **professionalism, attitudes & behaviours.**
- Feedback summary created & released by **ES to FD**

## PSG

Placement supervision group (PSG) feedback - Horus Support ([hee.nhs.uk](http://hee.nhs.uk))

- Assessment/feedback across **all 3 HLO's all 13 FPC's**
- **CS** chooses only senior colleagues from one placement to contribute
- Feedback **supports CS End of Placement Report**
- Feedback summary created & released by **CS to FD**
