

Hello, I'm Wassim Merzougui, one of the current UKFPO fellows based in the East Midlands. The UKFPO leadership fellowship is a great opportunity to learn more about academia and develop your own leadership skills. You are given the opportunity to learn and work with various HEE members, in order to improve foundation training for doctors nationally.

Personally, some of the projects that I have been involved in are:

- Presenting at several UKFPO conferences/webinars.
- Creating a National teaching series to aid new foundation trainees settle into their foundation posts.
- Working closely with various organisations and developing policies to enhance foundation training
- Working to improve communications between the UKFPO and foundation trainees newly created materials.
