

So you want to be a Clinical Geneticist?

Wednesday 21st October 2026, 13:00-15:00

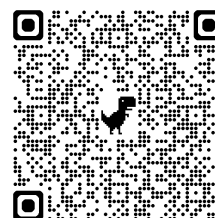

This online event is aimed at medical students and doctors interested in a career in Clinical Genetics.

To register, please use the QR code or visit:

<https://forms.cloud.microsoft/r/vWzwywRw6F>

For enquiries, please contact cgcareersworkshop@outlook.com

This event is the second part of an event series: a specialty introduction talk was held earlier this year (June 3rd 2026) and this talk focuses on the application and interview (October 21st 2026).

Recordings of the talks will be available if you are unable to attend.
